"The trade department in the Embassy often uses the book in our work and talks with incoming investors."

Bo Eske Nyhus
Commercial Counsellor/ The Danish Embassy

"All my colleagues, as well as me personally, enjoy the Legal Guide "Doing Business in Ukraine" as of the moment of its first edition, and look forward to receive each new edition every time it is published. The new edition is essentially revised and amended with the new relevant sections. The Legal Guide may be recommended either to the newcomers of the Ukrainian business, or to the experienced companies and firms, due to the fact that every single specialist, from the executor to the top manager, can find all necessary and useful information in the Legal Guide "Doing Business in Ukraine".

George Grushchenko
Trade Commissioner, Canadian Embassy

The tempo of changes and fluctuations of modern economics is high and the rules of game change fast and often. In such competitive environment it is difficult for foreign companies to act adequate without masterpiece guide. "Doing Business in Ukraine" of Frishberg&Partners is such guide. It allows seeing the opportunities and possible obstacles in advance and reveals ins and outs of local laws and regulations that are necessary for potential business man to know in order to successfully penetrate the market. I would like to express my sincere gratitude for opportunity of using your book for our needs. With help of it we supported many companies and avoided a lot of problems."

Kim Chang Sik
Commercial Attache
the Embassy of the Republic of Korea

"I have always found the guide most informative and user friendly"

Richard Stewart
Counsel, Bryan Cave

"For me the guide "Doing Business in Ukraine" is an essential and easy to use guide for a wide range of legal questions when operating in Ukraine. It also helps to have a "second opinion" to what your local business partners tell you is the law or procedure. This "second opinion" is especially necessary as we found that most local business partners are not always up to date with the quick changing legal environment in Ukraine."

David Zak
CFO, Vetropack Group

"If you are developing business as a foreigner in Ukraine, you need guidelines. "Doing Business in Ukraine" is a valuable tool for my company, but also to give to potential customers to give them a better understanding of this amazing country. To develop business in Ukraine is not very difficult, but it is different from many western european countries, and therefore you need partners to guide you to the right decision making. Our cooperation with Frishberg & Partners has been both pleasant and very productive."

Helge Ranvik
CEO, Scandinavian House AS

"The "Doing Business in Ukraine" guide is most useful in its contents, especially as a guide to new foreign investors to UA. The guide offers good depth, but not excessive, to most serious issues to be considered by foreign investors"

Fazar Choksi
Tyco Electronics

"Frishberg's "Doing Business in Ukraine" is so good, I cannot add a thing."

Dietmar Kuck
SOFI - Swiss Organisation for Facilitating Investments

"I would like to mention that we can fairly name it as a Guide for the foreigner in developing business in Ukraine as far as it comprises necessary information about the rules of conducting business on the territory of Ukraine and also the references on basic laws and regulation that govern business activity in Ukraine."

Valeriy Palchuk
Honorary consul of the Sultanate of Oman in Ukraine
